

STATE OF INDIANA  
EXECUTIVE DEPARTMENT  
INDIANAPOLIS

Executive Order

PROCLAMATION

TO ALL TO WHOM THESE PRESENTS MAY COME, GREETINGS:

WHEREAS, each year, Indiana's underground utility infrastructure is jeopardized by unintentional damage by those who fail to call to have underground lines located prior to digging. Undesired consequences such as service interruption, damage to the environment and personal injury and even death are the potential results; and

WHEREAS, The Indiana Underground Plant Protection Service, now doing business as Indiana811, and its members who are the owners of Indiana's underground infrastructure promote the national call-before-you-dig number, 811, in an effort to reduce these damages. Designated by the FCC in 2005, 811 provides potential excavators and homeowners a simple number to reach Indiana811 to request utility line locations at the intended dig site; and

WHEREAS, through education of safe digging practices, excavators and homeowners can save time and money keeping Indiana and our nation safe and connected by making a simple call to 811 in advance of any digging project; waiting the required amount of time; respecting the marked lines; and finally, digging with care around the marks; and

WHEREAS, all parties agreed that safe digging is a shared responsibility. To know what's below; call 811 before you dig.

NOW, THEREFORE, I, Mitchell E. Daniels, Jr., Governor of the State of Indiana, do hereby proclaim the month of May, 2008 as

**Safe Digging Month**

in the State of Indiana, and invite all citizens to duly note this occasion.

*In Testimony Whereof, I hereto  
set my hand and cause to be affixed the  
Great Seal of the State. Done at the  
City of Indianapolis, this 9<sup>th</sup>  
day of May in the year of our  
Lord 2008 and of the Independence  
of the United States, 232.*

BY THE GOVERNOR: M E Daniels, Jr.
